24 MAY 2017

# DEAR SHAREHOLDER

## **ANNUAL GENERAL MEETING 2017**

I am writing to inform you that the 2017 Annual General Meeting of the Company (the “AGM”) will be held at 10.00am on 24 May 2017 at Church House Westminster, Dean’s Yard, London SW1P 3NZ. The formal notice of the AGM and resolutions to be proposed are set out on pages 15 to 21.

The resolutions to be put to the AGM will address the following matters:

### **ANNUAL REPORT AND FINANCIAL STATEMENTS (RESOLUTION 1)**

Shareholders will be asked to receive and adopt the Annual Report and Financial Statements (the “Annual Report”) of the Company for the year ended 31 December 2016, together with the reports of the directors and auditors thereon. The financial statements contained in the Annual Report comply with International Financial Reporting Standards.

### **REMUNERATION REPORT (RESOLUTION 2)**

This resolution is to approve the Directors’ Remuneration Report (other than the part that contains the Remuneration Policy referred to in Resolution 3), which sets out how the Company’s remuneration policy (which was approved by shareholders at the 2014 annual general meeting) was applied during the year ended 31 December 2016. The Directors’ Remuneration Report is included on pages 96 to 111 of the Annual Report and has been prepared in accordance with the requirements of section 421 of the Companies Act 2006 (and regulations made under that section) and the UK Corporate Governance Code.

The vote upon this resolution is advisory. It is not specific to individual levels of remuneration and the Directors’ entitlement to remuneration is not conditional on it.

The full remuneration policy approved by shareholders at the 2014 annual general meeting can be found on the Remuneration and Talent Management section of the Company’s website at [www.antofagasta.co.uk/investors/corporate-governance/board-committees](http://www.antofagasta.co.uk/investors/corporate-governance/board-committees).

### **REMUNERATION POLICY (RESOLUTION 3)**

The Company is required to seek shareholder approval of the Directors’ remuneration policy at least every three years.

This resolution is to approve the 2017 Directors’ Remuneration Policy Report (the “Remuneration Policy”), which is included on pages 112 to 114 of the Annual Report. The vote on this resolution is binding and, if approved by shareholders, will supersede the remuneration policy approved by shareholders at the 2014 annual general meeting. The Remuneration Policy forms the second part of the Directors’ Remuneration Report and has been prepared in accordance with the requirements of section 421 of the Companies Act 2006 (and regulations made under that section).

Subject to shareholder approval, the Remuneration Policy will take effect from the end of the AGM with the intention that it will remain in place for three years. If the Company wishes to change the Remuneration Policy within that three-year period, it will submit a revised remuneration policy to shareholders for approval.

Once the Remuneration Policy is approved, the Company will only make remuneration payments to current or prospective Directors or payments for loss of office to current or past Directors if the payment is in line with the approved Remuneration Policy, or following specific approval by shareholder resolution. The Remuneration Policy will next be submitted to shareholders no later than the annual general meeting in 2020.

## **DECLARATION OF FINAL DIVIDEND (RESOLUTION 4)**

This resolution is to declare a final dividend. If approved, a final dividend of 15.3 cents per ordinary share will be paid on 26 May 2017 to shareholders on the register at close of business on 28 April 2017. An interim dividend of 3.1 cents per ordinary share was paid on 30 September 2016. This gives total dividends per ordinary share proposed in relation to 2016 of 18.4 cents per share. The total amount of dividends to ordinary shareholders proposed in relation to 2016 will be US\$181.4 million.

Dividends are paid gross without deduction of United Kingdom income tax. The Company is a resident in the United Kingdom for tax purposes.

## **RE-ELECTION OF ALL DIRECTORS (RESOLUTIONS 5 TO 15)**

In accordance with Principle B.7 of the UK Corporate Governance Code, all the Directors are required to be subject to annual re-election by shareholders. At the AGM, Francisca Castro will stand for election by shareholders for the first time, following her appointment by the Board, which took effect on 1 November 2016. Each of the other Directors will stand for re-election by shareholders. The Board has confirmed that all of the Directors continue to perform effectively and demonstrate commitment to their roles.

Brief biographical details of all Directors are set out on pages 6 to 11.

Resolutions 6, 11, 13, 14 and 15 relate to the election or re-election of Ollie Oliveira, Tim Baker, Vivianne Blanlot, Jorge Bande and Francisca Castro, who are the Directors that meet all of the independence criteria set out in section B.1.1 of the UK Corporate Governance Code and who the Board has determined are independent directors for the purposes of the UK Corporate Governance Code (the “Independent Directors”).

As the Company has a controlling shareholder, the election or re-election of the Independent Directors must be approved by a majority vote of both:

1. the shareholders of the Company; and
2. the independent shareholders of the Company (that is, each shareholder of the Company entitled to vote on the election of directors who is not a controlling shareholder of the Company).

Resolutions 6, 11, 13, 14 and 15 are therefore being proposed as ordinary resolutions on which all shareholders may vote. In addition, however, the Company will separately count the number of votes cast by independent shareholders in favour of each resolution (as a proportion of the total votes of independent shareholders cast on each resolution) to determine whether the threshold referred to in (2) above has been met. The Company will announce the results of these resolutions on this basis as well as announcing the results of the ordinary resolutions of all shareholders.

For these purposes, the votes controlled by the E. Abaroa Foundation (which is a controlling shareholder of the Company as it controls more than 30% of the voting rights in the Company) and of the other shareholders with whom it is acting in concert will therefore be excluded when calculating the votes of the independent shareholders as referred to in (2) above.

Under the Listing Rules, if a resolution to elect or re-elect an Independent Director is not approved by a majority vote of both the shareholders as a whole and the independent shareholders of the Company at the AGM, a further resolution may be put forward to be approved by the shareholders as a whole at a general meeting which must be held more than 90 days after the date of the first vote but within 120 days of the first vote. Accordingly, if any of resolutions 6, 11, 13, 14 and 15 is not approved by a majority vote of the Company's independent shareholders at the AGM, the relevant Independent Director(s) will be treated as having been re-elected only for the period from the date of the AGM until the earlier of (i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM but within 120 days of the AGM, to propose a further resolution to elect or re-elect him or her; (ii) the date which is 120 days after the AGM;

## NOTICE OF ANNUAL GENERAL MEETING

24 MAY 2017

and (iii) the date of any announcement by the Board that it does not intend to hold a second vote. In the event that the Independent Director's election or re-election is approved by a majority vote of all shareholders at a second meeting, the Independent Director will then be elected or re-elected until the next annual general meeting.

The Company is also required to provide details of (i) any previous or existing relationship, transaction or arrangement between an Independent Director and the Company, its Directors, any controlling shareholder or any associate of a controlling shareholder; (ii) why the Company considers the proposed Independent Director will be an effective director; (iii) how the Company has determined that the proposed Director is an independent director; and (iv) the process by which the Company has selected each Independent Director. All applicable details are provided for the Independent Directors as part of their respective biographies below.

The Company has received confirmation from each of the Independent Directors that, except as disclosed below, he or she has (or has had) no existing or previous relationship, transaction or arrangement with the Company, its Directors, any controlling shareholder or any associate of a controlling shareholder.

## **NOTICE OF ANNUAL GENERAL MEETING**

24 MAY 2017

### **AUTHORITY TO ALLOT (RESOLUTION 18)**

The Companies Act 2006 prevents the Directors from allotting unissued shares of the Company unless they are authorised to do so by the shareholders in a general meeting or by the Articles of Association.

The guidelines issued by The Investment Association on directors' authority to allot shares state that its members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to two-thirds of the Company's issued share capital. The guidelines provide that any routine authority to allot shares representing in excess of one-third of the Company's issued share capital should only be used to allot shares pursuant to a fully pre-emptive rights issue.

In Resolution 18, in accordance with these guidelines and in line with the equivalent resolution passed at the Company's 2016 annual general meeting, the Directors are again seeking authority to allot shares in the capital of the Company up to a maximum nominal amount of £32,861,890 (representing 657,237,800 ordinary shares of 5p each), which represented the Investment Association's guidelines limit of approximately two-thirds of the Company's issued ordinary share capital as at 10 March 2017 (being the last business day prior to the date of this notice). Of this amount, £16,430,945 (representing 328,618,900 ordinary shares of 5p each), which represented approximately one-third of the Company's issued ordinary share capital as at 10 March 2017, can only be allotted pursuant to a rights issue.

The authority will last until the earlier of 30 June 2018 (the last date by which the Company must hold an annual general meeting in 2018) and the conclusion of the annual general meeting of the Company to be held in 2018. The Directors have no present intention to exercise either of the authorities sought under this resolution.

As at 10 March 2017 (being the last business day prior to the date of this notice), no ordinary shares are held by the Company in treasury and the issued ordinary share capital of the Company has not changed since 11 March 2016.

### **POWER OF THE COMPANY TO ISSUE SHARES OTHER THAN PRO RATA TO ITS EXISTING SHAREHOLDERS (RESOLUTIONS 19 AND 20)**

The Companies Act 2006 prevents the Directors from issuing equity securities of the Company for cash other than pro rata to ordinary shareholders unless they are empowered to do so by special resolution or by the Articles of Association. Resolutions 19 and 20, which are proposed as special resolutions, would give the Directors the authority to allot ordinary shares or other equity securities (or sell any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

The authority in Resolution 19 would be limited to allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares (subject to the right of the Board to impose necessary or appropriate limitations to deal with, for example, fractional entitlements and regulatory matters), or otherwise up to an aggregate nominal amount of £2,464,641 (representing 49,292,820 ordinary shares). This aggregate nominal amount represents slightly less than 5% of the issued ordinary share capital of the Company as at 10 March 2017 (being the last business day prior to the date of this notice).

The authority in Resolution 20 would be limited to allotments or sales in connection with the financing (or refinancing, if the authority is to be used within six months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment. The authority under Resolution 19 is limited to a nominal value of £2,464,641 (representing 49,292,820 ordinary shares). This aggregate nominal amount represents slightly less than 5% of the issued ordinary share capital of the Company as at 10 March 2017 (being the last business day prior to the date of this notice).

The authorities in Resolutions 19 and 20 comply with the Investment Association's share capital management guidelines and are in line with the Pre-emption Group's Statement of Principles, as updated in March 2015 (the "Statement of Principles") and follow the resolution templates issued by the Pre-Emption Group in May 2016.

In exercising the authority in Resolution 19, the Board intends to adhere to the provisions in the Statement of Principles and not to allot shares for cash on a non pre-emptive basis pursuant to the authority in paragraph (B) of Resolution 19:

- (A) in excess of an amount equal to 5% of the issued ordinary share capital of the Company (excluding any treasury shares); or
- (B) in excess of an amount equal to 7.5% of the issued ordinary share capital of the Company (excluding any treasury shares) within a rolling three-year period, without prior consultation with shareholders.

Adherence to the Statement of Principles would not preclude issuances under the authority in Resolution 20.

These authorities will expire at the earlier of 30 June 2018 (the last date by which the Company must hold an AGM in 2018) and the conclusion of the annual general meeting of the Company to be held in 2018.

## **POWER OF THE COMPANY TO PURCHASE ITS OWN SHARES (RESOLUTION 21)**

At the 2016 Annual General Meeting, the Company was granted authority to purchase up to 98,585,669 of its own ordinary shares (which represented 10% of the issued ordinary share capital of the Company).

The Directors now propose that this authority should be renewed.

The Directors believe that it is in the best interests of the shareholders that the Company has the flexibility to make market purchases of ordinary shares. The Directors intend to exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and is in the best interests of shareholders generally. Any ordinary shares purchased in this way will either be cancelled or held in treasury. The resolution, which is proposed as a special resolution, specifies not only the maximum number of ordinary shares that the Company may acquire, but also the maximum and minimum prices at which they may be bought. The authority is intended to last until the earlier of 30 June 2018 (the last date by which the Company must hold an annual general meeting in 2018) and the conclusion of the annual general meeting of the Company to be held in 2018. It is the Directors' intention to renew such authority at each further annual general meeting of the Company.

At 10 March 2017 (being the last business day prior to the date of this notice), the Company had no warrants or options to subscribe for equity shares outstanding.

## **NOTICE OF GENERAL MEETINGS (RESOLUTION 22)**

The Companies Act 2006 provides that all general meetings (except annual general meetings) must be held on 21 days' notice unless shareholders agree on an annual basis to a shorter notice period. A resolution to allow the Company to hold general meetings (other than annual general meetings) on 14 days' notice has been passed at each annual general meeting since this provision came into effect. This resolution, which is proposed as a special resolution, will renew the approval of the shorter notice period.

The shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The approval will be effective until the annual general meeting to be held in 2018, when it is intended that a similar resolution will be proposed.

In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting in accordance with the Companies Act 2006.

(A) up to an aggregate nominal amount of £16,430,945; and

(B) comprising equity securities (as defined in section 560(1) of the Companies Act 2006) up to a further aggregate nominal amount of £16,430,945 in connection with an offer by way of a rights issue,

such authorities to apply until the end of the Company's next annual general meeting to be held in 2018 (or, if earlier, until the close of business on 30 June 2018) but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might, require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after the authority expires; and the Directors may allot shares or grant such rights under any such offer or agreement as if the authority had not expired.   - (B) to the allotment of equity securities pursuant to the authority granted by paragraph (A) of Resolution 18 and/or sale of treasury shares for cash (in each case otherwise than in the circumstances set out in paragraph (A) of this Resolution 19) up to a nominal amount of £2,464,641 calculated, in the case of equity securities which are rights to subscribe for, or to convert securities into, ordinary shares by reference to the aggregate nominal amount of relevant shares which may be allotted pursuant to such rights,
- such power to apply until the end of the Company's next annual general meeting to be held in 2018 (or, if earlier, until the close of business on 30 June 2018) but, in each case, so that the Company may make offers and enter into agreements before the power expires which would, or might, require equity securities to be allotted (or treasury shares to be sold) after the power expires and the Directors may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the power hereby conferred had not expired.

such power to apply until the end of the Company's next annual general meeting to be held in 2018 (or, if earlier, until the close of business on 30 June 2018) but, in each case, so that the Company may make offers and enter into agreements before the power expires which would, or might, require equity securities to be allotted or rights to subscribe for or to convert any security into shares to be granted (or treasury shares to be sold) after the power expires and the Directors may allot equity securities or grant such rights (or sell treasury shares) under any such offer or agreement as if the power hereby conferred had not expired.

## NOTES – GENERAL INFORMATION

1. A shareholder of the Company is entitled to appoint a proxy to exercise all or any of his/her rights to attend, speak and vote on their behalf at the meeting of the Company. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to different shares held by that shareholder. A proxy form which may be used to make such an appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact the registrars of the Company, Computershare Investor Services PLC on +44 (0)370 702 0159.
2. To be valid, the purple-striped (or, for preference shareholders, blue-striped) form of proxy and the Power of Attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, must be deposited (or submitted electronically at [www.investorcentre.co.uk/eproxy](http://www.investorcentre.co.uk/eproxy)) with the registrars of the Company, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, no later than 10.00am on 22 May 2017. Completion and return of the form of proxy (or any CREST Proxy Instructions (as described in Note 5 below)) will not preclude a shareholder from attending and voting in person at the meeting if he/she wishes to do so.

A proxy form lodged electronically will be invalid unless it is lodged at the electronic address specified in this Note 2.

3. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
4. The statement of rights of shareholders in relation to the appointment of proxies in Notes 1 and 2 above does not apply to Nominated Persons. The rights described in these notes can only be exercised by a shareholder of the Company.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via [www.euroclear.com/CREST](http://www.euroclear.com/CREST)). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via [www.euroclear.com/CREST](http://www.euroclear.com/CREST)).

The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

## NOTICE OF ANNUAL GENERAL MEETING

24 MAY 2017

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. To be entitled to attend and vote at the meeting (and for the purposes of determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 6:00pm on 22 May 2017 (or, in the event of an adjournment, on the date which is two days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline will be disregarded in determining the rights of any person to attend or vote at the meeting.
7. All resolutions at the AGM will be decided by a poll. On a poll, shareholders' votes are counted according to the number of shares held, ensuring an exact result.
8. Under section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with section 527 or section 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
9. Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:
  - (A) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
  - (B) the answer has already been given on a website in the form of an answer to a question; or
  - (C) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

10. A copy of this notice, and other information required by section 311A of the Companies Act 2006, can be found at **[www.antofagasta.co.uk](http://www.antofagasta.co.uk)**.
11. Under section 338 and section 338A of the Companies Act 2006, shareholders meeting the threshold requirements in those sections have the right to require the Company (i) to give, to shareholders of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 10 April 2017, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
12. At 10 March 2017 (being the last business day prior to the date of this notice), the issued share capital of the Company consisted of 985,856,695 ordinary shares carrying one vote each and 2,000,000 5% cumulative preference shares carrying 100 votes each on a poll. Therefore, the total voting rights in the Company as at 10 March 2017 were 1,185,856,695.
